Printing Selected Sections of The Historical Newspapers

Add Snapshot Tool (if not on toolbar)

1. Select an article from the results list.
2. Once you have opened your article, you may need to add the Snapshot tool to the Adobe Acrobat toolbar.
   a. Right click on an empty area of the toolbar and select More Tools.
   b. Scroll to the bottom of the list and check the box for Snapshot Tool.

Selecting your Text

1. Click the newly added Snapshot Tool button on the Adobe Acrobat toolbar.
2. Drag a box around the text you wish to select.

Printing your Article

1. Click the print icon on the Adobe Acrobat toolbar.
2. Click the drop down box for Page Scaling and select “Fit to Printable Area”.
3. Click OK to print the selected text from your article.
