Cartoons

These visual media need more clarification to make it obvious to the reader that the citation references a visual source. The GBS Library recommends including this information as a descriptor immediately after the source title, as it provides important information about the source to your reader.

Cartoon from the Web (No Print Publication Information):

**Artist's Last Name, First Name.** "Title of Cartoon." Cartoon. **Title of Web Site** (Container), **Publisher/Sponsor of the Site,** (only needed if different from the name of the author or website. Never needed for online newspapers or magazines), **Publication date,** **Location** (URL).
